**Looking for a school place for September 2023?
Welcome to Locks Heath Infant School!**

Dear Parents and Carers

Are you looking for an outstanding school for September 2023? Are you confused about all the information and deadlines out there? Look no further as you have found a school with a friendly family feel and a kind, caring and nurturing approach for all.

Can I come and see the school?

You simply must come and experience life at our school. Please note the following events in your diary and we very much look forward to welcoming you to our school as you find out more about us.

Event	Date	Time	Details
Open Morning	Saturday 8 October 2022	9.30am – 12pm	Bring your children to explore our many outdoor learning areas. Bring your wellies if it is wet!
Tours	From 1 November 2022	9.30am, 10.30am and 1.30pm	Children very welcome. Please phone the school office on 01489 584180 to book a tour with a Senior Leader.

What is our Early Years setting like?

We deliberately set up our learning environments to ensure the children are safe and calm while providing purposeful and highly engaging learning opportunities for everyone. Teachers work incredibly hard to use the environment to challenge the children's thinking, guiding them along their tailored and individual learning journeys.

How do our parents and carers feel about our school?

"We are slightly out of catchment and were set on another school until we came to an open day and were blown away by your enthusiasm and caring nature. I am sad our time was cut short by COVID but grateful for the way it was handled by all at school." (Parent Survey – July 2022)

"Absolutely fantastic school; friendly, supportive & child centred all the way through!" (Parent Survey – July 2022)

"We are extremely grateful and lucky to come to this school it is very caring and this makes a huge difference." (Parent Survey – July 2022)

You can find the full report from our 2022 parent survey on our website, [here](#).

In the meantime, please do contact the school office if you have any questions at all and we will endeavor to answer your questions as soon as possible. We look forward to meeting you at the various events over the coming weeks.

Kind regards,

R Jump
